

# Biomes Marine Biology Center visits

## The Auburn Public Library

### Introduction to Marine Animals

This program features some of the **Biomes Marine Biology Center's** most popular and fascinating ocean animals, providing an up-close experience with the animals of the Center.

Children will experience lots of touching and holding of animals as marine biology experts introduce the creatures and show how they move and eat.

*This program is adapted for children grades K - 8.*

**Some of the sample live animals may include:** Sea star, brittle star, whelk, sea urchin, spider crab, horseshoe crab, quahog, lobster, killifish, and pufferfish.

Program ends with the crowd-pleasing pufferfish demonstration!

### **When**

Friday Feb 16<sup>th</sup>  
4:00 pm – 4:45 pm
