

# Let's go on a Bug Hunt!

**Auburn Public Library | Tuesday August 14th 4:00 – 4:45 pm | Ages 3 and older**

Join Library staff and Heather from *Hands on Nature* as we explore the unique characteristics and habitats of some of our fascinating local bugs, such as ladybugs, insects, worms, slugs, beetles, and caterpillars.

Children will gain respect and a better understanding and appreciation of the importance of nature's bugs and their connection and importance to our lives and our ecosystem.
