*Guidelines & Information | Please Read | Remember your Library card!*

- Please arrive at, *but not before*, your reservation time.
- If you arrive late, you will still be allowed entry, but your time in the Library will be reduced to fit the time frame
- Please maintain safe distancing at all times, particularly if you need to wait in line – the line should advance quickly.
- Your reservation will be confirmed once you arrive at the door. Your exit time will also be noted as you exit the Library.
- ALL patrons entering the Library who are over the age of 2 must wear a mask fully covering the nose and mouth.
- All visits must be kept to a maximum of 20 minutes.

**Please note:** Computers, puzzles, and toys are not available at this time. Tables may not be used for coloring or crafts and seating is not available. The purpose of browsing is to peruse the collection quickly and check out your items at the children's circulation desk prior to exiting.

Please be sure to have your Library card ready! For information on installing your library card on a phone wallet for scanning (suggested, but not required), please call the Library.

*We look forward to welcoming our young patrons back into the Library!*
