Image available under CC from <http://escuelabloguera.blogspot.com/p/ciencias.html>

All Registration Dates Open

In order to maximize this opportunity for all children, please be certain you can commit to your registration.

Many sessions have a waiting list.

If you find you unexpectedly cannot attend, please call the Library immediately and ask for **Program Registration**.

~Thank you for your consideration~

Each week is a different program / theme

Siblings are welcome, but will count as attendees.

STEM BEGINNINGS

The **Auburn Public Library** has once again been selected to host the Young Scientists hands-on enrichment program funded by [YFCP](#), a grant program supported from the MA Department of Early Education & Care, administered by the [YMCA](#) of Central Massachusetts.

Children ages 3-5 will learn STEM (Science, Technology, Engineering, and Math) concepts through hands-on activities, story time, music and movement, STEM challenges, and age-appropriate experiments.

When: *Fridays* on September 15, 22, 29 and October 6, 13, 20

Time: 10:00 am – 11:00 am

Where: Merriam Park Public Library

Sorry, all remaining sessions are filled to capacity.
Additional registrations will be placed on a waiting list.
You will be contacted if a spot becomes available.

How to Register-----

- Register from the Auburn Public Library Website
- Call the Library at 508-832-7790: Ask for **Program Registration**
- Visit the Library in person: Ask for **Program Registration**
