STEM BEGINNINGS

The Auburn Public Library is very pleased to have once again been selected to partner with and host the Young Scientists hands-on enrichment program funded by YFCP, a grant program supported by the MA Department of Early Education & Care, administered by the YMCA of Central Massachusetts and presented by STEM Beginnings LLC.

Children ages 3-6 will learn STEM (Science, Technology, Engineering, and Math) concepts through hands-on activities, story time, music and movement, STEM challenges, and age-appropriate experiments. This is a six-week series. Each program will be open for registration one week before the next date.

All programs are on consecutive Tuesdays, from 11:00am – 11:45am

**Session Dates:** February 16, February 23, March 2, March 9, March 16, March 23

**Where:** Virtual | The Library Director will send a Zoom link to the email on the registration form 5-7 days before the program

-----Registration is Required for Each Session-----

Register online at [www.auburnlibrary.org](http://www.auburnlibrary.org) or call the Library at 508.832.7790 for assistance

Registration for Week One: Tuesday February 16th, is now open

Each week is a different program theme | The first week is Bunny Slopes!

Parents or caregivers provide the materials – all of which can easily be found in most households, or substitutes can be used.

- The materials’ listing will be updated on the children’s supplemental website each week: [www.auburnlibrary.org](http://www.auburnlibrary.org)/Program Registration.
- The materials’ listing will also be included in the registration form each week
- Library staff will video-record stories related to the theme for each week.
  - Stories are available from our supplemental children’s site: [www.auburnlibrary.org](http://www.auburnlibrary.org)/Program Registration.
  - Registration is not required to listen to the stories: They are available to everyone for the duration of the six-week STEM series.
  - New stories will be available when each new registration opens.
