[About Stem Beginnings](#)
[About YMCA](#) | [About YFCP](#)

All registration dates open!

**Each week is a different
program / theme!**

In order to maximize this opportunity
for all children, please be certain
you can commit to your registration.

If you find you cannot attend a session, please call the
library and **ask for Program Registration** so that we
can contact someone on the waiting list!

[Siblings are welcome, but will count as attendees].

STEM BEGINNINGS

The Auburn Public Library has once again been selected to host a **Young Scientist** hands-on enrichment program funded by YFCP, a grant program supported from the MA Department of Early Education & Care, administered by the YMCA of Central Massachusetts.

Children ages 3-5 will learn STEM (Science, Technology, Engineering, and Math) concepts through hands-on activities, story time, music and movement, STEM challenges, and age-appropriate experiments.

When: Fridays on May 5, 12, 19, 26, and June 2 & 9, 2017

Time: 10:00 am – 11:00 am

Where: Merriam Room, Auburn Public Library

-----How to Register-----

- Submit Registration from the APL Website
- Call the Library at 508-832-7790: **Ask for Program Registration**
- Stop at the Circulation Desk: **Ask for Program Registration**
- **Register (Separately) for One or All Dates**
